

## Calcium Bentonite Clay Tips & Testimonials from Perry A~

It's Perry A~ and I am back. Though we sold the Living Clay business in 2015, I have not retired from educating people to the plethora of uses of Calcium Bentonite Clay and answering their questions (512-773-0335 [perrya@perrya.com](mailto:perrya@perrya.com)) in an effort to understand this complicated natural substance. As I promised I will maintain the free clay information website [www.BentoniteClayInfo.com](http://www.BentoniteClayInfo.com). Since retiring from the webinars due to ongoing increasing expenses, I am picking up the slack by sending tips, articles, suggested protocols and new testimonials to share the magic of Bentonite Clay.

For a definitive guide to understanding and using clay I recommend my newest book *Calcium Bentonite Clay Nature's pathway to Healing – Balance, Detox, Stimulate, Alkalize*. You can order from [www.TheClayBook.com](http://www.TheClayBook.com) or [Amazon](http://Amazon.com).

Today's Tips & Testimonials is about Eczema

I use it on my grandson's Eczema and my daughter was flabbergast it was gone in 2 days. She tried everything. He had it on his elbows and backs of knees and neck so bad he scratched it red and bleeding and the size of my fists. I put it on while he slept. The first day it was a light pink and the second day it was gone. – Maria N.
