

Calcium Bentonite Clay Tips & Testimonials from Perry A~

It's Perry A~ and I am back. Though we sold the Living Clay business in 2015, I have not retired from educating people to the plethora of uses of Calcium Bentonite Clay and answering their questions (512-773-0335 perrya@perrya.com) in an effort to understand this complicated natural substance. As I promised I will maintain the free clay information website www.BentoniteClayInfo.com. Since retiring from the webinars due to ongoing increasing expenses, I am picking up the slack by sending tips, articles, suggested protocols and new testimonials to share the magic of Bentonite Clay.

For a definitive guide to understanding and using clay I recommend my newest book *Calcium Bentonite Clay Nature's pathway to Healing – Balance, Detox, Stimulate, Alkalize*. You can order from www.TheClayBook.com or [Amazon](http://Amazon.com).

Today's Tips & Testimonials is about Colonics and Clay Cleanse

I am writing to let you know how the clay has changed my life and also the lives of my clients. I have been a colon hydro therapist for 6 years now. I started by drinking the clay myself several days before my "spring cleansing" followed by my usual psyllium husk regimen. I went in for my cleanse --and what came out was amazing. Ropes of muciod plaque. Now whenever my clients are preparing for their cleanse I make sure they drink the clay. Everyone including myself actually just stays drinking the clay. I am now up to 3 ounce 3 times per day and I have never looked or felt better. I would recommend this product to any colon therapist that wants the best for their clients. It's the safest and most effective way to eliminate that old toxic waste. Just doing a colonic is not always enough!! Thanks again,

Vanessa G.,
